

10 November 1977

MEMORANDUM FOR: Director of Central Intelligence

FROM :

SUBJECT : Presidential Briefing Items for 17 November 1977

1. The package includes three major items (7 to 10 minutes each) and several very short items:

- a. India's Problems  has expanded the original briefing paper to accompany handing the President his copy of the NIE (copy #001). Ten possible graphics are included for your selection.
- b. Soviet Activities In The US The revised briefing paper and associated background papers respond to your comments on the first draft.  is planning to attend the pre-brief on Tuesday, 15 November. One rough graphic is included.
- c. CIA Covert Communications Dave Brandwein will present his 7-minute "show and tell" of the equipment at Tuesday's pre-brief.
- d. Maps of Major Fishing Grounds Copies of these three graphics are available to be handed to the President or to be placed in the briefing books.

CONFIDENTIAL

- e. Comprehensive Test Ban Follow-Up Your memo for record indicates that your answer to the question on [ ] may need slight clarificaton/correction. A 30-second proposed clarification has been prepared by [ ]
- f. Saudi Oil Production A draft of the OER briefing on the "notional gap" plus their most recent oil production and consumption charts for background. Maurice Ernst feels that a discussion of this issue needs to be pretty deep to avoid misleading the President.
- g. Freedom of Information Act A very short item for possible use as a "filler."
